

CONTINENCE, CATHETER & PRESSURE CARE

This 1/2 Day Continence, Catheter & Pressure Care course is CPD Accredited.

Learners will understand the importance of recognising person-centred care when supporting someone with incontinence and you will be able to effectively communicate with individuals and other services in order to report any concerns and record information appropriately.

By attending this training, you will be able to effectively recognise the different types of equipment and promote the prevention of skin conditions worsening, by encouraging movement and correct infection control methods.

Training can be held at our Training Suite in Wakefield
