

DEMENTIA AWARENESS & EXPERIENCE

CPD Accredited Dementia Awareness & Experience Training

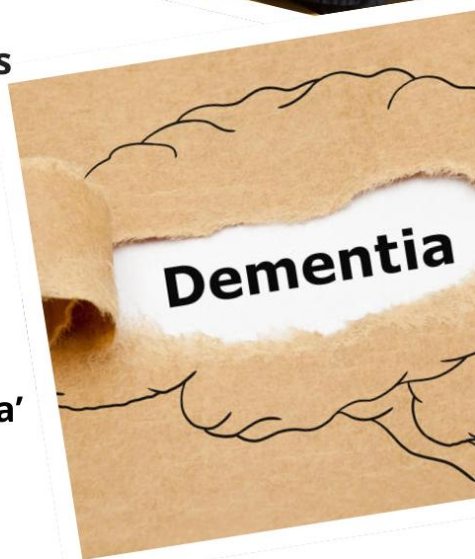

This engaging training combines classroom learning with a powerful Dementia Experience, using technology and sensory equipment to help learners gain insight into the symptoms and challenges faced by people living with dementia.

Through this immersive approach, participants develop a deeper understanding of dementia and how to provide compassionate, person-centred support to those living with the condition.

LEARNING OUTCOMES:

- ✓ Recognise what is meant by the term 'Dementia'
- ✓ Discuss the different types of Dementia
- ✓ Identify the signs and symptoms of Dementia
- ✓ Recognise how to support people living with Dementia
- ✓ Identify tools and techniques to provide support
- ✓ Discuss how to work in partnership to support individuals
- ✓ Participate in the Dementia Experience

Training is held at our Training Suite in Wakefield
