

GDPR & DATA PROTECTION

This 3 hour Course provides participants with a clear understanding of the General Data Protection Regulation (GDPR), including its key principles, legal requirements, and practical implications.

This will ensure compliancy and promote the responsible handling of personal data and information within organisations.

Participants will also gain an understanding on Cyber Security to provide extra protection.

The course covers:

- ✓ Terms used when discussing GDPR & Data Protection
- ✓ Different Types of Data
- ✓ What 'Special Category' Data is
- ✓ The 7 Principles of GDPR
- ✓ Recognising rights under the Data Protection Act 2018
- ✓ Recognising consent and rights of access
- ✓ Identifying data breaches and the implications of this
- ✓ Recognising Regulations when transferring data outside of England

Training can be held at our Training Suite in Wakefield or a venue of your choice.
