

# ***MOVING & HANDLING (PEOPLE)***

**A 1 Day CPD Accredited Moving & Handling (People) Course which ensures that learners are competent and confident to carry out their duties to the standards expected by CQC.**

**The course is a mixture of theory and practical elements, using various forms of equipment used in the community.**

**Interactive and engaging learners will cover a number of topics, including:**

- ✓ Legal Responsibilities, procedures and duty of care when moving and handling people**
- ✓ Demonstrating abilities when using equipment in line with individuals handling plans**
- ✓ Explaining and understanding biomechanical principles**
- ✓ Discuss and demonstrate safer moving and handling principles and techniques**
- ✓ Demonstrate using the equipment safely**
- ✓ Recognise unsafe practices**
